## Tasting Notes:

**Our Rosso Riserva Casa Defrà already stands out with its beautiful garnet red hue**. A dense and precious colour from which powerful and inviting aromas emerge. You will smell the scents of berries, plums, surrounded by vibrant notes of sweet spices, black pepper, and licorice. A bouquet with peculiar aromatic hints, with delicate sensations of leather and toasted hazelnuts. **If it is immediately so tempting, imagine the first sip!** Nectar with a full, soft, and pulpy texture, with well-balanced tannins, in which you immediately feel the ripeness of red fruits. **Then the velvety feeling gives way to a pleasant minerality and a spicy, flavourful persistence.**

## Best Food Pairings

**You will make many recipes, classic and bistrot-style, tastier with the Rosso Riserva Casa Defrà**. A perfect wine to give even more flavour to all the following dishes, for unforgettable food and wine matches: pasta with bolognese sauce, bbq t-bone steak with rosemary potatoes, braised lamb shank with rosemary, turkey-stuffed bell peppers, filet mignon, aubergine parmigiana, roasted duck with Marsala jus and vanilla mashed potatoes, roasted peppers and mushrooms, samples of Parmigiano Reggiano and Gouda cheeses for your most delicious aperitifs.
